DETAILED ACTION

This Office action is responsive to the amendment filed on November 15, 2001.

1. Claims 1-26 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art taken either singly or in combination fails to anticipate or fairly suggests, among others, at least the method step of: *removing photoresist material to expose a surface of the electrically conductive interconnect line with ionized air*, as recited in independent claims 1 and 14. Claims 2-13 and 15-26 are directly or indirectly dependent upon either claim 1 or claim 14 and therefore allowable for at least similar reasons.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Luan Thai whose telephone number is 571-272-1935. The examiner can normally be reached on 6:30 AM - 5:00 PM, Monday to Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Bradley W. Baumeister can be reached on 571-272-1722. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
